C G
The day unfolds before me
C G
And my hear turns to you
C D em
Lord there's only one thing I will ask
C C/B am D
It's that in everything I do

G G/B
That you would be first, You would be All
C
You would be everything
G G/B
Whatever it takes for my will to break
C
And yours be done
G G/B
If I rise or fall won't matter at all
C C/B am
Only that you receive the praise
cm D
For better or worse
G
That you would be first

The night sweeps in around me
And the shadows build my fear
This test of faith has worn me thin
But your purpose is so clear
