E E7/C#
I have found a friend in Jesus
A B
In Him I can place all my trust
E E7/C# A B
Though I'm fragile in His strength I stand
E E7/C#
Jesus is my hope for living
A B
Understanding and forgiving
E E7/C# A
Greater love has not been shown to man
B
I have found a friend

f#m B f#m
Mountains and hills are all his own
B
The sands of the sea He can number
f#m B f#m
The glories of heaven are His home
B
But the greatest of all these wonders…

f#m B f#m
He walked on the water of the sea
B
Gave life to the sick and the dying
f#m B f#m
Died for the sins of a thief and me
B
I am forever grateful
