

Never Forget

Verse 1

Ready the bread

Pour the wine

This is a celebration

A sacrifice made

The blood is a sign

That you are a chosen nation

Reserved for the Kingdom and glory of God

Chorus

Never forget

The price that was paid was paid

For you to be free

Bear this in mind

As you live your life

That your every moment was gained at a cost

Draw your next breath and never forget

Verse 2

Wash you hands

Cleanse your heart

This is a sacred moment

The blood of Christ

The Spotless Lamb

Given for your atonement

Our peace for his punishment

Our innocence for shame
