C G  
The day unfolds before me  
C G  
And my hear turns to you  
C D em  
Lord there's only one thing I will ask  
C C/B am D  
It's that in everything I do

G G/B  
**That you would be first, You would be All**

C  
**You would be everything**

G G/B  
**Whatever it takes for my will to break**

C  
**And yours be done**

G G/B  
**If I rise or fall won't matter at all**

C C/B am  
**Only that you receive the praise**

cm D  
**For better or worse**

G  
**That you would be first**

The night sweeps in around me  
And the shadows build my fear  
This test of faith has worn me thin  
But your purpose is so clear
