VS. 1

D D/C# G
So many prayers spoken out Loud

I want to show you that love with my life

D D2/B
With more than just words that I speak from my mouth

Every Ambition, every dream I dream

More than just talk from dry lips

You're all that there is

With all of my heart, Father I want to give
bm A G
More than the things I know you've already heard
D
More than just words

VS. 2

Teach me to sing, teach me to dance
Teach me to serve with open hands
I know that voices get drowned in the wind
But love says it louder than I ever can

BRIDGE

G A
Let me live, and let me give
G A
Let it be all of me, let it be
